TSVETOMIR DIMITROV

FRONT-END DEVELOPER

Montana, Bulgaria | +359 884 334 998 | ts.dimitrov93@gmail.com

ABOUT ME

Dual-role professional: Front-End Developer at Lupy Games and Team Lead at Montway Auto Transport, overseeing a LiveChat team. On one side, building scalable React/Next.js applications with clean architecture. On the other, running one-on-ones, monitoring performance, and developing team members day-to-day. A developer with genuine people management experience — in the field, not just on paper.

SKILLS

FRONTEND

React · Next.js · TypeScript · JavaScript · Vue · Angular

BACKEND

Node.js · Express · Spring Boot

DATABASE & TOOLS

MongoDB · PostgreSQL · MariaDB · Docker · Git
