LINKS

WORK EXPERIENCE

Lupy Games
Apr 2024 – Oct 2026
Remote

FRONT-END DEVELOPER

- Top contributor to the Next.js front end (900+ commits, 140+ PRs); led the WordPress → Next.js migration and upgrades to Next.js 16 and React 19
- Built achievements, daily streaks and challenges, friends and themes, plus admin dashboards and Spring Boot APIs
- Co-built Puzzle Platform for media publishers; built Kauzi (kauzi.lupygames.com) from scratch
- Playwright e2e and Vitest suites; lint warnings 101 → 0 as a blocking CI gate

Montway Auto Transport
Sep 2016 – Present
Montana

TEAM LEAD

- Lead the LiveChat and uShip teams: coaching, 1-on-1s, KPI tracking and Salesforce reporting
- Develop team members toward growth and independence
- Built Montway Hub, the team's searchable knowledge hub, and a Chrome extension for desk automation

Senior Sales Specialist

Sales Specialist

Transport Coordinator

Vola
Jul 2023 – Feb 2024
Remote

FRONT-END DEVELOPER

- Main front-end contributor (390+ commits) to a jewellery inventory system — Vue 3, Vuetify, Pinia, Spring Boot, PostgreSQL
- Inventory, transfers, sales and returns, barcodes and multi-role access

Sutherland
Jan 2018 – Apr 2018

SALES SUPPORT SPECIALIST

Phone sales & support for GoDaddy — product inquiries, account issues & upselling.

Gameloft
Jun 2014 – Aug 2014

GAME TESTER

Tested mobile games across the full Apple device lineup, reporting bugs across all screen sizes and iOS versions.
