TSVETOMIR DIMITROV

FRONT-END DEVELOPER

Montana, Bulgaria | +359 884 334 998 | ts.dimitrov93@gmail.com

ABOUT ME

Front-End Developer and Team Lead. Built and shipped production React/Next.js applications at Lupy Games, including the Kauzi charity gaming platform from scratch. In parallel, Team Lead at Montway Auto Transport, overseeing a LiveChat team: running one-on-ones, monitoring performance, and developing team members day-to-day. A developer with genuine people management experience — in the field, not just on paper.

LINKS

WORK EXPERIENCE

Lupy Games

Apr 2024 – Oct 2026

Remote

FRONT-END DEVELOPER

- Led full platform migration from WordPress to Next.js — delivering measurable gains in performance and scalability
- Drove user engagement through gamification: achievements, ranks, level progression, and customizable themes
- Built Kauzi (kauzi.lupygames.com) from scratch — a charity platform where daily puzzle games raise points for a shared cause, with teams, leaderboards, and EN/BG support
- Continuously iterate on features and UX to keep pace with evolving community needs

Montway Auto Transport

Sep 2016 – Present

Montana

TEAM LEAD

- Lead a LiveChat team at one of the largest auto transport companies in the U.S.
- Drive performance through coaching, one-on-ones, KPI tracking, and Salesforce reporting to management
- Mentor team members and foster their professional growth and independence

Senior Sales Specialist

Sales Specialist

Transport Coordinator

Vola

Jul 2023 – Feb 2024

Remote

FRONT-END DEVELOPER

- Architected a full-stack jewellery inventory management system (Vue3, Vuex, Spring Boot, PostgreSQL, Docker)
- Delivered real-time sales tracking and multi-role access for distributors, store owners, and admins
- Automated resource and inventory workflows, contributing to the digital transformation of the client's business

Sutherland

Jan 2018 – Apr 2018
